REGISTRAR

* The entries made should exactly correspond with those in the Return of Matriculates.

Note:

1. The Principal is requested to fill in the above form and forward the same to this office with the return of matriculate for Signature of the Registrar
2. The name should be written clearly in block letters and in the case of names which contain more than one word the spacing between words should be sufficiently distinct and oblique line should be put between the words.
3. If the initials are in between two words the full name as per the qualifying certificate shall be entered in column No.2.
